ARTICLE 2 - Property

2.1 Property Description.

Subject to the terms and conditions of this Agreement, Seller agrees to sell to Purchaser, and Purchaser agrees to purchase from Seller, the following property (collectively, the “Property”):

Real Property. The land described in Exhibit A attached hereto (the “Land”), together with all of Seller’s rights, title and interest in and to (i) all improvements located thereon (“Improvements”), (ii) all the rights, benefits, privileges, easements, tenements, hereditaments, and appurtenances thereon or in any way appertaining thereto, and (iii) without warranty, all right, title, and interest of Seller, if any, in and to all strips and gores and any land lying in the bed of any street, road or alley, open or proposed, adjoining such Land and (iv) all right, title and interest of the Seller in and to any award made or to be made in lieu thereof and in and to any unpaid award for damage to said Property by reason of change of grade of any street ((i) – (iv) collectively, the “Real Property”).

This sale also includes all air and development rights, if any. Seller makes no representation as to the existence of same except that Seller has not previously

transferred or encumbered any such rights.

2.1.1 Leases. All of Seller's right, title and interest, without warranty, in all leases of the Real Property, including leases which may be made by Seller after the Effective Date and prior to Closing as permitted by this Agreement (the "Leases").

2.1.2 Tangible Personal Property. All of Seller's right, title and interest, without warranty, in the equipment, machinery, furniture, furnishings, supplies and other tangible personal property, if any, owned by Seller and now or hereafter located in and used in connection with the operation, ownership or management of the Real Property including those tools and equipment used in connection with repair, maintenance and operation of the Improvements, but specifically excluding any items of personal property owned by tenants and/or manager, if any, at or on the Real Property and further excluding any items of personal property owned by third parties and/or leased to Seller (collectively, the "Tangible Personal Property").

2.1.3 Intangible Personal Property. All of Seller's right, title and interest, if any, without warranty, in all intangible personal property related to the Real Property and the Improvements, including, without limitation: all trade names and trademarks associated with the Real Property and the Improvements, including Seller's rights and interests, if any, in the name of the Real Property; the plans and specifications and other architectural and engineering drawings for the Improvements, if any (to the extent assignable without cost to Seller); warranties (to the extent assignable without cost to Seller); contract rights related to the construction, operation, ownership or management of the Real Property, if any (but only to the extent assignable without cost to Seller and Seller's obligations thereunder are expressly assumed by Purchaser pursuant to this Agreement); governmental permits, approvals and licenses, if any (to the extent assignable without cost to Seller) (collectively the "Intangible Personal Property").

2.1.4 Licenses and Permits. All right, title and interest of Seller, if any, in and to any licenses and permits owned or held by Seller (including any certificates of occupancy) to the extent such are assignable and related to or arising out of or used directly in connection with the ownership or operation of the Property (collectively, "Licenses and Permits").

2.1.5 Excluded Property. Notwithstanding anything to the contrary herein, the Seller shall transfer to Purchaser, without any adjustment of the Purchase Price therefor, all reserve and escrow accounts (including the security deposit escrow accounts and rents paid more than thirty (30) days in advance of the due date, if any).

2.1.6 Seller shall convey and Purchaser shall accept fee simple title to the Property in accordance with the terms of this Agreement, subject to Section 5.1.1.

ARTICLE 3 - Earnest Money

3.1 Downpayment.

3.1.1 (a) All sums paid on account of the Purchase Price prior to the Closing (collectively, "Downpayment" or "Earnest Money") shall be paid by good check or checks drawn to the order of and delivered to Seller's attorney ("Escrow Agent"). The Escrow Agent shall hold the proceeds thereof in escrow in a special bank account at Northfield Bank located at 112 Court

Street, Brooklyn, NY 11201 (or as otherwise agreed in writing by Seller, Purchaser and Escrow Agent) until the Closing or sooner termination of this contract and shall pay over or apply such proceeds in accordance with the terms of this section. Escrow Agent shall hold such proceeds in its IOLA account, and neither party shall receive interest thereon. Escrow Agent shall not be responsible for any interest on the Downpayment to either party. At the Closing, the Downpayment, shall be paid by Escrow Agent to Seller and applied as a credit against the Purchase Price due from Purchaser. If for any reason the Closing does not occur and either party makes a written demand upon Escrow Agent for payment of such amount, Escrow Agent shall give written notice to the other party of such demand. If Escrow Agent does not receive a written objection from the other party to the proposed payment within ten (10) business days after the giving of such notice, Escrow Agent is hereby authorized to make such payment. If Escrow Agent does receive such written objection within such ten (10) business day period or if for any other reason Escrow Agent in good faith shall elect not to make such payment, Escrow Agent shall continue to hold such amount until otherwise directed by written instructions from the parties to this contract or a final and non appealable judgment of a court. However, Escrow Agent shall have the right at any time to deposit the escrowed proceeds with the clerk of the Supreme Court of the county in which the Premises is located. Escrow Agent shall give written notice of such deposit to Seller and Purchaser. Upon such deposit Escrow Agent shall be relieved and discharged of all further obligations and responsibilities hereunder.

(b) The parties acknowledge that Escrow Agent is acting solely as a stakeholder at their request and for their convenience, that the duties of Escrow Agent hereunder are purely ministerial in nature and shall be expressly limited to the safekeeping and disposition of the Downpayment in accordance with the provisions of this contract, that Escrow Agent shall not be deemed to be the agent of either of the parties, and that Escrow Agent shall not be liable to either of the parties for any act or omission on its part unless taken or suffered in bad faith, in willful disregard of this contract or involving gross negligence. Seller and Purchaser shall jointly and severally indemnify and hold Escrow Agent harmless from and against all costs, claims and expenses, including reasonable attorneys' fees, incurred in connection with the performance of Escrow Agent's duties hereunder, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith, in willful disregard of this contract or involving gross negligence on the part of Escrow Agent.

All attorneys' fees and costs and Escrow Agent's costs and expenses incurred in connection with such interpleader shall be assessed against the party that is not awarded the Earnest Money, or if the Earnest Money is distributed in part to both parties, then in the inverse proportion of such distribution.

(c) Escrow Agent has acknowledged agreement to these provisions by signing in the place indicated on the signature page of this contract.

(d) If Escrow Agent is Seller's attorney, Escrow Agent or any member of its firm shall be permitted to act as counsel for Seller in any dispute as to the disbursement of the Downpayment or any other dispute between the parties whether or not Escrow Agent is in possession of the Downpayment and continues to act as Escrow Agent.

ARTICLE 4 - Due Diligence

4.1 Due Diligence.

Purchaser acknowledges that this Agreement is not subject to a due diligence period and except as otherwise expressly provided for herein, the Property shall be purchased by Purchaser “AS-IS, WHERE IS, WITH ALL FAULTS as of the date hereof less reasonable wear and tear and casualty loss” as more particularly provided for in Section 11.2 of this Agreement.

4.2 Service Contracts and Other Contracts.

4.2.1 The schedule of service, maintenance, supply and management contracts (“Service Contracts”) attached hereto as Exhibit B lists all such contracts affecting the Property, and the information set forth therein is accurate as of the date hereof, all of which are terminable in accordance with their respective terms, except for those indicated as non-terminable (the “Non-Terminable Contracts”) on Exhibit B.

4.2.2 Seller shall deliver at Closing notices of termination of all Service Contracts that are not assumed in writing by Purchaser to the extent such Service Contracts have not otherwise expired. Effective as of the Closing, Purchaser hereby assumes the obligations arising from and after the Closing Date under the Non-Terminable Contracts and any other service contracts that Purchaser has agreed to assume in writing.

4.3 Proprietary Information; Confidentiality.

Purchaser acknowledges that all information and materials given by Seller to Purchaser in connection with the Property, including, without limitation, the materials described in Exhibit C attached hereto (collectively, the “Property Documents”) are proprietary and confidential and were delivered to Purchaser solely to assist Purchaser in determining the feasibility of purchasing the Property. Purchaser shall not use the Property Documents for any purpose other than as set forth in the preceding sentence. Purchaser shall not use or disclose the contents of the Property Documents or this Agreement, and Purchaser shall not disclose the fact that negotiations have taken place between Purchaser and Seller in connection with the Property, in each case, to any person other than to those persons who were responsible for determining the feasibility of Purchaser’s acquisition of the Property or third parties (including investors, applicable governmental agencies, lenders, and the Title Company) engaged by Purchaser (or its affiliates) to assist in Purchaser’s acquisition of the

Property (collectively, “Permitted Outside Parties”). Purchaser shall not divulge or use the contents of the Property Documents and other information except in accordance with the express terms of Section 4.3 or as otherwise required by law. In permitting Purchaser to review the Property Documents or any other information, Seller has not waived any privilege or claim of confidentiality with respect thereto, and no third party benefits or relationships of any kind, either express or implied, have been offered, intended or created.

4.4 No Representation or Warranty by Seller.

Purchaser acknowledges that except as expressly set forth herein, Seller has not made nor makes any warranty or representation regarding the truth, accuracy or completeness of the Property Documents or the source(s) thereof. Purchaser further acknowledges that some if not all of the Property Documents were prepared by third parties other than Seller. Seller

expressly disclaims any and all liability for representations or warranties, express or implied, statements of fact and other matters contained in such information, or for omissions from the Property Documents, or in any other written or oral communications transmitted or made available to Purchaser, whether on, prior to, or subsequent to the date hereof. Except as provided for herein, Purchaser shall rely solely upon its own investigation with respect to the Property, including, without limitation, the Property's physical, environmental or economic condition, compliance or lack of compliance with any ordinance, order, permit, law or regulation or any other attribute or matter relating thereto. Seller has not undertaken any independent investigation as to the truth, accuracy or completeness of the Property Documents furnished by any third party other than those prepared by or furnished by Seller and are providing any such Property Documents solely as an accommodation to Purchaser.

ARTICLE 5 - Title and Survey

5.1.1 Purchaser has obtained or shall obtain: (i) a current preliminary title report for the Real Property issued by the Title Company; (ii) copies of all underlying title documents described in the Title Commitment (collectively, "Title Commitment"); and (iii) if Purchaser so elects, a survey of the Real Property (the "Survey"). Purchaser shall accept title to the Property AS IS, and subject to any and all existing Violations provided however that Seller shall pay all monetary fines and penalties in connection with any violation, Orders, Notices and Regulatory Agreements except that (a) on or prior to the Closing Date, Seller shall remove and clear all Voluntary Encumbrances (as defined below), (b) on the Closing Date, Seller shall, subject to the Pre- Closing Lien Cap (as defined below), either pay in full amounts owed on all Pre-Closing Liens (as defined below) or, at Seller's sole election, deduct such amounts in full from the Purchase Price.

For the purposes of this Section 5.1.1, "Pre-Closing Liens" shall solely mean any Environmental Control Board ("ECB") violations or judgments, in each case, resulting in a monetary lien or other monetary encumbrance against the Real Property as of the Closing in an aggregate amount not to exceed One Hundred Thousand Dollars and 00/100 (\$100,000.00) (the "Pre- Closing Lien Cap").

In the event that the aggregate amount of the Pre-Closing Liens, if any, exceeds the Pre-Closing Lien Cap, at Purchaser's sole election, either (a) at the Closing, Seller shall pay an amount equal to the Pre-Closing Lien Cap (which shall, at Seller's sole election, be deemed paid in full by Seller if Seller elects to deduct such amount from the Purchase Price at Closing) and Purchaser shall pay the amount in excess of the Pre-Closing Lien Cap or (b) in the event Seller fails to pay the amount in excess of the Pre Closing Lien Cap, Purchaser may elect to terminate this Agreement and the sole liability of Seller shall be the release of the Earnest Money to Purchaser. Upon such release, this Agreement shall be null and void and the parties hereto shall be relieved of all further obligations and liability with respect to the subject matter of this Agreement.

The term "Voluntary Encumbrances" as used in this Agreement shall solely mean any mortgages (excluding the HPD/HDC Mortgages (as defined below)), use restrictions (excluding currently existing use restrictions related to the HPD/HDC Mortgages), and mechanic's liens encumbering the Property as of the Closing.

If Seller shall be unable to convey title to the Property at the Closing in accordance

with the provisions of this Section 5.1.1 or should the cost to clear title exceed \$500,000.00 with respect to all title issues except for Voluntary Encumbrances and Pre-Closing Liens, if Purchaser shall have any other grounds under the express terms of this Agreement for refusing to consummate the purchase provided for herein, Purchaser, nevertheless, may elect to accept such title as Seller may be able to convey without any other credit or liability on the part of Seller, provided, however, that Purchaser shall be entitled to a credit not to exceed \$500,000.00. If Purchaser shall not so elect, Purchaser may terminate this Agreement and the sole liability of Seller shall be the release of the Earnest Money to Purchaser. Upon such release, this Agreement shall be null and void and the parties hereto shall be relieved of all further obligations and liability with respect to the subject matter of this Agreement.

ARTICLE 6 - Operations and Risk of Loss

6.1 Ongoing Operations.

From the Effective Date through Closing:

6.1.1 Leases and Service Contracts. Seller will continue to operate the Property in the ordinary course of business and make all repairs and improvements necessary to comply with all governmental rules and regulations, any mortgages or regulatory agreements.

6.1.2 New Contracts. Other than lease renewals required under the New York State Rent Stabilization Law and provided such renewals charge the maximum rent permitted thereunder, Seller will not, on or after the Effective Date, enter into any new contract without Purchaser's consent that will be an obligation affecting the Property subsequent to the Closing including, but not limited to, mortgages, restrictive covenants and/or contracts placing use restrictions on the Property, except that the restrictions in this Section 6.1.2 shall not include contracts entered into in the ordinary course of business that are terminable without cause and without the payment of any termination penalty on not more than thirty (30) days' prior notice.

6.1.3 Maintenance of Improvements; Removal of Personal Property. Subject to Sections 6.2 and 6.3, Seller shall maintain all Improvements substantially in their present condition (ordinary wear and tear and casualty excepted) and shall maintain its current insurance on the Property, all in a manner consistent with Seller's maintenance of, and insurance on, the Improvements during Seller's period of ownership and shall satisfy all accounts payable on or prior to the Closing Date. Seller will not remove any Tangible Personal Property except as in the ordinary course of business or as may be required for necessary repair or replacement, and replacement shall be of approximately equal quality and quantity as the removed item of Tangible Personal Property.

6.1.4 Application of Security Deposits. Seller shall not, between the date hereof and the Closing Date, apply any of such security deposits with respect to any tenant in occupancy of the Closing Date, unless Seller is entitled to do so under the terms of the lease and provides notice to Purchaser.

6.1.5 Vacant Residential and Commercial Space. Between the Effective Date

and the Closing Date, except as required by applicable laws and the regulatory agreement, Seller shall not re-let an apartment or commercial space which is currently or becomes vacant without notifying Purchaser of such vacancy and if Purchaser instructs Seller to keep the apartment vacant, the Seller shall receive a credit at Closing for lost rent resulting from such vacancy in an amount equal to, in the case of a residential space, the maximum amount of rent legally permissible for such unit as of the date of such vacancy and, in the case of a commercial space, the amount of rent that is commensurate with the market rate for such commercial space as of the date of such vacancy. Seller does not warrant that any particular Lease or tenancy will be in force or effect as of the Closing or that the tenants will have performed their obligations thereunder. The termination of any Lease prior to Closing by reason of the tenant's default thereunder shall not affect the obligations of Purchaser under this Agreement or entitle Purchaser to any credit or abatement against the Purchase Price or give rise to any other claim. True copies of all Leases, to the extent in Seller's possession or control, will be delivered or made available to Purchaser upon Purchaser's request and after execution of this Agreement. Seller will not be obligated to enter into and, other than lease renewals in accordance with Section 6.1.2, will not enter into any leases without first obtaining the Purchaser's prior written consent. In the event Purchaser does not consent to the entry by Seller into a residential or commercial lease which is on terms that are commensurate with the market, Purchaser shall, at the Closing, reimburse Seller for the amount of rent that Seller would have earned between the date of such rejection and the Closing Date, which, in the case of a residential space, shall be calculated based on the maximum amount of monthly rent legally permissible for such unit during such period and, in the case of a commercial space, shall be calculated based on the amount of monthly rent that is commensurate with the market rate for such commercial space as of the date of Seller's request for Purchaser's consent to enter into a commercial lease for such space.

6.2 Damage.

If prior to Closing the Property is damaged by fire or other casualty, Seller shall estimate the cost to repair and the time required to complete repairs and will provide Purchaser written notice of Seller's reasonable estimation of the cost to repair (the "Casualty Notice") as soon as reasonably possible after the occurrence of the casualty.

6.2.1 Material. In the event of any Material Damage (as defined below) to or destruction of the Property or any portion thereof prior to Closing, either Purchaser or Seller at their option, may terminate this Agreement by delivering written notice to the other on or before the expiration of thirty (30) calendar days after the date Seller delivers the Casualty Notice to Purchaser (and if necessary, the Closing Date shall be extended to give the parties the full thirty-day period to make such election and to obtain insurance settlement agreements with Seller's insurers). Upon any such termination, the Earnest Money shall be returned to Purchaser and the parties hereto shall have no further rights or obligations hereunder, other than those that by their terms survive the termination of this Agreement. Upon such release, this Agreement shall be null and void and the parties hereto shall be relieved of all further obligations and liability with respect to the subject matter of this Agreement. If neither party terminates this Agreement within said thirty (30) day period, then the parties shall proceed under this Agreement and close on schedule (subject to extension of Closing as provided above), and as of Closing Seller shall assign to Purchaser, without representation or warranty by or recourse against Seller, all of Seller's rights in and to any resulting insurance proceeds (including any rent loss insurance applicable to any period on and after the Closing Date) due Seller as a result of such damage or destruction and Purchaser shall assume full responsibility for all needed repairs,

and Seller shall receive a credit at Closing for any deductible amount under such insurance policies. For the purposes of this Agreement, “Material Damage” and “Materially Damaged” means damage which, in Seller’s reasonable estimation, exceeds, in the aggregate, \$3,000,000.00 to repair or which, in Seller’s reasonable estimation, will take longer than one hundred and eighty (180) days to repair.

6.2.2 Not Material. If the Property is not Materially Damaged, then neither Purchaser nor Seller shall have the right to terminate this Agreement, and Seller shall, at its sole option, either (i) repair the damage before the Closing in a manner reasonably satisfactory to Purchaser, or (ii) credit Purchaser at Closing for the reasonable cost to complete the repair (in which case Seller shall retain all insurance proceeds and Purchaser shall assume full responsibility for all needed repairs).

6.3 Condemnation.

If proceedings in eminent domain are instituted with respect to the Property or any portion thereof, excluding temporary takings and takings that result in a decrease in the appraised value of less than 5% and do not interfere with the ability to use the remainder of the Property for its current use, either Purchaser or Seller may, at their option, by written notice to the other given within ten (10) days after notification of such proceedings (and if necessary the Closing Date shall be automatically extended to give the party the full ten-day period to make such election), either: (i) terminate this Agreement, in which case the Earnest Money shall be immediately returned to Purchaser and the parties hereto shall have no further rights or obligations, other than those that by their terms survive the termination of this Agreement, or (ii) proceed under this Agreement, in which event Seller shall, at the Closing, assign to Purchaser its entire right, title and interest in and to any condemnation award, and Purchaser shall have the sole right after the Closing to negotiate and otherwise deal with the condemning authority in respect of such matter. If the electing party does not give the other written notice of its election within the time required above, such party shall be deemed to have elected option (ii) above. It is a condition of closing that no condemnation proceedings shall be pending or threatened.

ARTICLE 7 - Closing

7.1 Closing.

The consummation of the transaction contemplated herein (“Closing”) shall occur on the Closing Date at the offices of Seller’s counsel (or such other location as may be mutually agreed upon by Seller and Purchaser).

7.2 Conditions to Parties’ Obligation to Close.

In addition to all other conditions set forth herein, the obligation of Seller, on the one hand, and Purchaser, on the other hand, to consummate the transactions contemplated hereunder are conditioned upon the following:

7.2.1 Representations and Warranties. The other party’s representations and warranties contained herein shall be true and correct in all material respects as of the date of this Agreement and the Closing Date except for changes resulting from passage of time (provided that either party may waive the requirement with respect to the other party); and

7.2.2 Deliveries. As of the Closing Date, the other party shall have tendered all deliveries described in Sections 7.3 and 7.4 to be made at Closing.

7.2.3 Bankruptcy Court Approval of Contract and Sale. The Seller's and Purchaser's respective obligations under this Contract of Sale are subject to approval and order of the United States Bankruptcy Court in the Seller's Chapter 11 case, In re Northeast Brooklyn Partnership, pending in the United States Bankruptcy Court for the Eastern District of New York under Chapter 11 Case No 19-40822 (CEC). In the event such approval is not obtained by June 30, 2020, for any reason, Purchaser may terminate this Agreement and the Earnest Money shall be immediately returned to Purchaser. In the event that the approval is denied by the Bankruptcy Court, this Contract shall automatically be deemed null and void and the Earnest Money shall be returned to Purchaser. Notwithstanding anything to the contrary, in the event the Order of the Bankruptcy Court is not obtained by June 30, 2020 or the Bankruptcy Court does not approve this Agreement or orders a sale to another purchaser, this Contract shall be automatically deemed null and void and the Contract Deposit shall be refunded to the Purchaser.

7.3 Seller's Deliveries. On the Closing Date, Seller shall deliver to Purchaser the following:

7.3.1 Deed. A bargain and sale deed in the form of Exhibit D attached hereto without covenants in a form acceptable for recordation, executed and acknowledged by Seller including Lien Law 13 provision, conveying to Purchaser Seller's interest in the Real Property (the "Deed");

7.3.2 Assignment of Leases, Rents and Arrears. 11.2 Sale “As Is, Where Is.”

Purchaser acknowledges and agrees that upon Closing, Seller shall sell and convey to Purchaser and Purchaser shall accept title and the Property “AS IS, WHERE IS, WITH ALL FAULTS as of the date hereof less reasonable wear and tear and casualty loss” subject to all restrictions and regulations. Purchaser has not relied and will not rely on, and Seller has not made and is not liable for or bound by, any express or implied warranties, guarantees, statements, representations or information pertaining to the Property or relating thereto (including specifically, without limitation, Property information packages distributed with respect to the Property) made or furnished, whether on, prior to or subsequent to the Effective Date, by Seller, or any real estate broker, agent or third party representing or purporting to represent Seller, to whomever made or given, directly or indirectly, orally or in writing. Purchaser represents that it is a knowledgeable, experienced and sophisticated purchaser of real estate and that, except as expressly set forth in this Agreement, it is relying solely on its own expertise and that of Purchaser’s consultants in purchasing the Property and shall make an independent verification of the accuracy of the Property Documents provided by Seller. Purchaser will conduct such inspections and investigations of the Property as Purchaser deems necessary, including, but not limited to, the physical and environmental conditions thereof, and shall rely upon same; provided, however, that in no event shall Purchaser’s right to conduct inspections or investigations have any effect on the limitations provided in Section 4.1. Purchaser acknowledges that Seller has afforded Purchaser a full opportunity to conduct such investigations of the Property as Purchaser deemed necessary to satisfy itself as to the condition of the Property and the existence or non-existence or curative action to be taken with respect to any Hazardous Materials (as defined below) on or discharged from the Property, and will rely solely upon same and not upon any information provided by or on behalf of Seller or its agents or employees with respect thereto, other than such representations, warranties and covenants of Seller as are expressly set forth in this Agreement. As of the Effective Date, Purchaser hereby assumes the risk that adverse matters, including, but not limited to, adverse physical or construction defects or adverse environmental, health or safety conditions, may not have been revealed by Purchaser’s inspections and investigations or the title report prepared by the Title Company described in Section 1.1.5.

11.3 Seller Released from Liability.

Purchaser acknowledges that it had the opportunity to inspect the Property prior to the date of this Agreement, and during such period, observe its physical characteristics and existing conditions and the opportunity to conduct such investigation and study on and of the Property and adjacent areas as Purchaser deems necessary, and Purchaser hereby FOREVER RELEASES AND DISCHARGES Seller from all responsibility and liability, including without limitation, liabilities under the Comprehensive Environmental Response, Compensation and Liability Act Of 1980 (42 U.S.C. Sections 9601 et seq.), as amended (“CERCLA”), the New York State Environmental Quality Review Act (N.Y. Environmental Conservation Law § 8 (McKinney 2011), et seq.), as amended (“SEQR”) and the New York City Environmental Quality Review (2 RCNY § 1-04 et seq.), as amended (“CEQR”) regarding the condition (including, without limitation, the presence in the soil, air, structures and surface and subsurface waters, of Hazardous Materials or other materials or substances that have been or may in the future be determined to be toxic, hazardous, undesirable or subject to regulation and that may need to be specially treated, handled and/or removed from the Property under current or future federal, state and local laws, regulations or guidelines), valuation, salability or utility of the Property, or its suitability for any purpose whatsoever. Purchaser further hereby WAIVES any and all objections to or complaints regarding (including, but not limited to, federal, state and common law based actions), or any private right of action under, state and federal law to which the Property is or may be subject, including, without limitation, structural and geologic conditions, subsurface soil and water conditions and solid and hazardous waste and Hazardous Materials on, under, adjacent to or otherwise affecting the Property. Purchaser further hereby assumes the risk of changes in applicable laws and regulations relating to past, present and future environmental conditions on the Property and the risk that adverse physical characteristics and conditions, including, without limitation, the presence of Hazardous Materials or other contaminants, may not have been revealed by its investigation.

11.4 “Hazardous Materials” Defined.

For purposes hereof, “Hazardous Materials” means “Hazardous Material,” “Hazardous Substance,” “Pollutant or Contaminant,” and “Petroleum” and “Natural Gas Liquids,” as those terms are defined or used in Section 101 of CERCLA, SEQR or CEQR and any other substances regulated under federal, state or local law because of their effect or potential effect on public health and the environment, including, without limitation, PCBs, lead paint, mold, fungi, asbestos, urea formaldehyde, radioactive materials, putrescible, and infectious materials.

11.5 Survival.

The terms and conditions of this Article 11 shall expressly survive the Closing, not merge with the provisions of any closing documents and effective as of the Closing shall hereby be automatically deemed incorporated into the Deed without further action needed.

Purchaser acknowledges and agrees that the disclaimers and other agreements set forth herein are an integral part of this Agreement and that Seller would not have agreed to sell

the Property to Purchaser for the Purchase Price without the disclaimers and other agreements set forth above.

12.3 Invalidity and Waiver.

If any portion of this Agreement is held invalid or inoperative, then so far as is reasonable and possible the remainder of this Agreement shall be deemed valid and operative, and, to the greatest extent legally possible, effect shall be given to the intent manifested by the portion held invalid or inoperative. The failure by either party to enforce against the other any term or provision of this Agreement shall not be deemed to be a waiver of such party's right to enforce against the other party the same or any other such term or provision in the future.

12.4 Governing Law.

This Agreement shall, in all respects, be governed, construed, applied, and enforced in accordance with the law of the State of New York.

12.5 Survival.

Only obligations which are expressly stated in this Agreement to survive Closing shall survive delivery of the deed to Purchaser.

12.6 Entirety and Amendments.

This Agreement embodies the entire agreement between the parties and supersedes all prior agreements and understandings relating to the Property. This Agreement

may be amended or supplemented only by an instrument in writing executed by the party against whom enforcement is sought.

12.7 Reserved.

12.8 Confidentiality.

Neither party shall make any public announcement or disclosure of any information related to this Agreement to outside brokers or third parties, before or after the Closing, without the prior written specific consent of the other party; provided, however, that Purchaser may, subject to the provisions of Section 4.8, make disclosure of this Agreement to its Permitted Outside Parties as necessary to perform its obligations hereunder and as may be required under laws or regulations applicable to Purchaser and/or investors interested in this transaction.

Any such notices shall, unless otherwise provided herein, be given or served (i) by depositing the same in the United States mail, postage paid, certified and addressed to the party to be notified, with return receipt requested, (ii) by overnight delivery using a nationally recognized overnight courier or (iii) by personal delivery. Notice deposited in the mail in the manner hereinabove described shall be effective on the third (3rd) business day after such deposit. Notice given in any other manner shall be effective only if and when received by the party to be notified between the hours of 8:00 a.m. and 5:00 p.m. of any business day with delivery made after such hours to be deemed received the following business day. A party's address may be changed by written notice to the other party; provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Copies of notices are for informational purposes only, and a failure to give or receive copies of any notice shall not be deemed a failure to give notice. Notices given and received by counsel to the Purchaser shall be deemed given or received by Purchaser and notices given or received by counsel to the Seller shall be deemed given or received by Seller.

12.10 Construction.

The parties acknowledge that the parties and their counsel have reviewed and revised this Agreement and agree that the normal rule of construction – to the effect that any ambiguities are to be resolved against the drafting party – shall not be employed in the interpretation of this Agreement or any exhibits or amendments hereto.

12.11 Calculation of Time Periods.

Unless otherwise specified, in computing any period of time described herein, the day of the act or event after which the designated period of time begins to run is not to be included and the last day of the period so computed is to be included, unless such last day is a Saturday, Sunday or legal holiday for national banks in New York, in which event the period

To facilitate execution of this Agreement, the parties may execute and exchange by e-mail PDF counterparts of the signature pages, provided that executed originals thereof are forwarded to the other party on the same day by any of the delivery methods set forth in Section 12.9 other than facsimile.

12.13 No Recordation.

Without the prior written consent of Seller, there shall be no recordation of either this Agreement or any memorandum hereof, or any affidavit pertaining hereto, and any such recordation of this Agreement or memorandum or affidavit by Purchaser without the prior written consent of Seller shall constitute a default hereunder by Purchaser, whereupon Seller shall have the remedies set forth in Section 10.1 hereof, provided, however, that Purchaser may file a memorandum of contract at any time after an uncured default by Seller hereunder.

12.14 Further Assurances.

In addition to the acts and deeds recited herein and contemplated to be performed, executed and/or delivered by either party at Closing, each party agrees to perform, execute and deliver, but without any obligation to incur any additional liability or expense, on or after the Closing any further deliveries and assurances as may be reasonably necessary to consummate the transactions contemplated hereby or to further perfect the conveyance, transfer and assignment of the Property to Purchaser.

12.15 Discharge of Obligations.

The acceptance of the Deed by Purchaser shall be deemed to be a full performance and discharge of every representation and warranty made by Seller herein and every agreement and obligation on the part of Seller to be performed pursuant to the provisions of this Agreement, except those which are herein specifically stated to survive Closing.

12.16 No Third Party Beneficiary.

The provisions of this Agreement and of the documents to be executed and delivered at Closing are and will be for the benefit of Seller and Purchaser only and are not for the benefit of any third party and accordingly, no third party shall have the right to enforce the provisions of this Agreement or of the documents to be executed and delivered at Closing, except that a tenant of the Property may enforce Purchaser's indemnity obligation.

12.17 To the extent that the Seller has copies of original renovation plans for any of the Premises, Seller shall provide the same to the Purchaser at or prior to Closing.
